## TARIFF 4

### **BACKGROUND MUSIC – CARAVAN PARKS & CAMPING SITES**

Tariff for the communicating to the public of sound recordings

Effective from: 1 January 2022 to 31 December 2022.

1. This tariff is subject to IMPRA's "General Terms and Conditions for Communicating Sound Recordings to the Public Licenses", a copy of which can be accessed on IMPRA's website or obtained by contacting IMPRA.
2. This tariff applies to the communicating to the public of sound recordings in caravan parks and camping sites as **background music**. There are specific types of communicating sound recordings to the public that IMPRA does not classify as **background music** and which are licensed under separate tariffs.
3. The communicating of sound recordings to the public is a restricted act in terms of the South African Copyright Act and requires a license from IMPRA for the use of sound recordings in its **repertoire**. This document sets out IMPRA's tariff for the communicating to the public of sound recordings in **CARAVAN PARKS & CAMPING SITES**.
4. Examples of use covered by this tariff include aerobics & dance instruction, background music in bars, restaurants, shops, boutiques, games arcades, fairground rides, swimming pools, cinemas, video rooms, waiting rooms and reception areas within Caravan Parks. Discotheques, dances, DJ presentations, concerts and music festivals are to be charged separately, using the relevant tariff.
5. Penalty Clause – You should obtain your IMPRA license before you can publicly communicate sound recordings. If you continue with the communicating to the public without first obtaining or renewing your license, a surcharge can be added to this tariff. This is designed to act as a deterrent to unlicensed communications to the public of sound recordings.
