## TARIFF 20

### **BACKGROUND MUSIC – JUKEBOXES**

Tariff for the communicating to the public of sound recordings

Effective from: 1 January 2022 to 31 December 2022.

1. This tariff is subject to IMPRA's "General Terms and Conditions for Communicating Sound Recordings to the Public Licenses", a copy of which can be accessed on IMPRA's website or obtained by contacting IMPRA.
2. The communicating of sound recordings to the public is a restricted act in terms of the South African Copyright Act and requires a license from IMPRA for the use of sound recordings in its **repertoire**. This document sets out IMPRA's tariff for the communicating to the public of sound recordings with **JUKEBOX**.
3. Where music from a jukebox is predominantly selected by the venue owner on a continuous basis, the applicable tariff shall apply.
4. Penalty Clause – You should obtain your IMPRA license before you can publicly communicate sound recordings. If you continue with the communicating to the public without first obtaining or renewing your license, a surcharge can be added to this tariff. This is designed to act as a deterrent to unlicensed communications to the public of sound recordings.
5. Fees:

Flat fee of **R2,916.32** per jukebox per annum.

VAT will be added to the fee at the current rate.

6. DEFINITIONS:

**"Background Music"**. The playing of recorded music to create an atmosphere or ambience that is not a special feature of, or essential to, the main event or is not essential to the operation of the premises.

**"Repertoire"** means the collection of copyright sound recordings owned or controlled by members of IMPRA from time to time.

**FOR INFORMATION ONLY**
